The Alabama Penny Savings & Loan Co., of Birmingham, Ala., increase Capital Stock to \$100,000.

The meeting called for the purpose of increasing the stock of the Alabama Penny Savings & Loan Co., took place March 5, 1909. It was voted to increase the Capital Stock to \$100,000.

The Board of Directors reported to the stockholders that a settlement had been made with them before the New Stock was to be sold. This settlement consisted of a \$12,500.00 distribution, accruing from Real Estate and a Surplus Fund to be given in the shape of New Stock, to the Old Stockholders, leaving \$3,000.00 as a Guarantee Fund. This is in addition to the 6 per cent Dividend declared at the regular annual meeting on January 22nd, 1909.

We want to place in the hands of the masses our New Stock. Dividends and distributions have been made to the old Stockholders, since the organization of the bank to an amount of over twice the original value of the Old Stock.

This fact in itself is sufficient to
